

ABOUT US

The Maanya Group is one of the largest steam boiler manufacturers in the country. Started in 2004, Maanya Group has strived to identify industry shortcomings and provide dynamic solutions. Through expert engineering and state-of-the-art facilities, Maanya Group has installed more than 1000 IBR Boilers across India and the World.

AGROMAX BOILER

The rice husk fired boilers from Maanya engineering company, are designed to provide low cost heating with fuel eciency as high as 80% Bubbling bed combustion, gives higher residence time to facilitate complete combustion, thus improving eciency.

SALIENT FEATURES

- Packaged type, 3 pass fully wet back, Integral Furnace, Shell type steam boiler.
- Occupies less floor space.
- Highly ecient.
- Single fan design for easy operation.
- Low power consumption.
- Designed honeycomb wall for higher residence time.
- Quick response to fluctuating steam demand.
- Top fuel feeding system.
- Unique and innovative design of secondary and tertiary combustion of fuel.
- Minimum site work and less refractory.
- Provision of S.S. nozzle for longer life and less maintenance.

Capacity - Upto 6 TPH

Fuel - Rice Husk

OTHER PRODUCTS

AGRIPAC

(AFBC) Atmospheric Fluidized Bed Combustion Boiler

MAXPAC

Three-Pass internal furnace Smoke Tube Horizontal Package Boiler.

PETROPAC

Oil and Gas Fired Boiler

MINIPAC

Two-Pass, Dry Back Smoke Tube Horizontal Package Steam Boiler.

COMBIMAC

Complete multifuel fired Water cum Smoke Tube Boiler

BIOMAX

Advance paddy straw / Bale Fired / Mustard Husk / Boiler with Pulsating/ Reciprocating Grate

CARE FOR ENVI

- Comes fitted with an air po
- Suitable for combustion of
- Industry-leading manufact
- Complete fuel combustion

RETROFIT & SPARES

- Spares for Boiler pressure parts/non-pressure parts.
- Spares for Fuel feeding system.
- Boiler Services - AMC / O&M Services / Project executions.

POLLUTION CONTROL EQUIPMENT

- Bag Filters
- Cyclones
- Wet-Scrubbers

ENERGY SAVING EQUIPMENT

- Air Pre-Heater
- Pressurized Economizers
- Condensate Recovery
- Water Pre-Heater Systems

WATER SOLUTION EQUIPMENT

- Sand Filters
- Iron Removal Plants
- Softeners
- ETP's for Rice Mills

Built with Integrity,
Steaming with Trust..
